M. DAVIS,
DEALER IN DRY GOODS AND CLOTHING.
WOULD leave to announce to his numerous customers and the public generally, that he is now in receipt of his **Spring and Summer Goods** at his store in the west part of his new block, on Water Street, Chillicothe. From the long experience he has had in business, and the liberal patronage heretofore extended to him, which has enabled him to purchase goods for cash only, he flatters himself that he can sell his goods at lower prices than he has ever done before, and is confident that he can compete with any honest dealer west of the mountains. His furnishing goods are complete, and can fit out a customer to every article required. His clothing department cannot be excelled, as to neatness of fit, durability of wear and strength of sewing. His goods are selected by himself from the best European and American manufacturers, with great care and attention and warranted all sound. These goods he will sell at ten per cent lower than any other man in the city of Chillicothe. Call and see for yourselves, and be convinced by ocular demonstration.
COAL, COAL.
P. S.—He would also leave to announce to the citizens of Chillicothe, Monroe, Leesburgh, Lexington, Martinsville and adjoining towns, that he has a regular line of boats running to the coal mines, and that he is ready to contract for good bucking, some coal at market prices, and that he will deliver coal to any of the above stations on the Railroad by sending their orders by mail.
He will also have a supply of Jackson and New Castle coal for Blacksmithing purposes always on hand.

WOULD respectfully inform their friends and the public that they have at length got into their splendid new room, and have fitted it up expressly for the Hardware trade (in the burnt district) under the sign of the GILT ANVIL, East side of Point, between Water and 2d sts, where they are opening, in addition to part of their former stock, a large and desirable stock of American, German and English Hardware, Saddlery, Iron and Glass, together with all articles usually kept in Hardware stores, and invite all to call and take a look at their new room and examine their stock.
They have continued a stock of Goods at their OLD STAND, sign of the Mill Saw, on Fager's square, (under the immediate care of one of the firm) where they have been so liberally patronized the past year, for which they take this opportunity of returning their sincere thanks, and solicit a continuance of the same for both establishments, promising to keep as good Goods and sell as low as any in this market.
